ERASERS

This week's highlight – **Erasers**. If you are looking for a cost effective way to communicate your message or theme, look no further than USA Made Erasers. Think about the endless promotional opportunities: Brain erasers – “Save a brain, wear a helmet” for child safety awareness. Fire series – October is “Fire safety awareness month”. Cow / Dairy erasers – perfect to give out at county fair, rodeo, or to encourage Dairy products to our youngsters! Got an idea for a custom eraser shape? No problem – we can do that too!
