PROMOTIONAL PRODUCTS

Welcome to this week's **LarLu Minute** – helping you capitalize on upcoming events, popular products, themed product combinations and holidays.

### GLOVES

This week's highlight – **Glove season!** As Summer turns to Fall, now is a great time to promote Technology gloves and Utility gloves. They're a welcome addition for outdoor use! Technology glove finger-tip and thumb allows you to slide open your phone and type while keeping your hands warm! Selling point: think about a local sponsor who would like their message literally on the hands of customers / prospects. A local hardware store giving Utility gloves for Fall yard work and has them distributed at a local high school football game. Technology gloves given to attendees of an industry Summit where outdoor activities are planned.
